TECHNOLOGY CENTER R3700

Dear Sir:

Timely in response to the Office Communication mailed March 21, 2003, enclose herewith is payment for two additional independent claims added by Applicant's amendment reply of February 3, 2003.

In the amendment it was stated:

2. Status is Now as a Small Entity

The status of the present application is revised to be as a small entity. A verified declaration by the undersigned -- as agent to the Inventor Applicant and holder of all rights in the invention and in the application -- to that effect is attached.

This was then correct.

However, status has only most exceedingly recently changed **back** to a large entity, and the **now** appropriate remittance of 2 x \$84 = \$168 is enclosed.

In consideration of this supplemental fee transmittal, the present application is deemed in condition for further, and substantive, examination. The timely action of the Examiner to that end is earnestly solicited.

Serial No.: 09/673,992

Applicant's undersigned attorney is at the Examiner's disposal should the Examiner wish to discuss any matter which might expedite prosecution of this case.
